## Buckle Show Sponsor Form

Pahrump Open Schooling Shows was started in 1999 by a group of dedicated volunteers to give horse owners and lovers in the Pahrump Valley an opportunity to show and present their horses, so they can build the confidence to go to the next level with their horses. Not only do we have exhibitors from the Pahrump Valley but from all over Southern Nevada. Pahrump Open Schooling Shows is a 501c not for profit organization that relies on the continued support from businesses, members and friends like you. Donations may be used for business expenses only (i.e) advertisement.
